

Brightcove Live Streaming

Click this link to watch the [Brightcove Live Event Info Video](#)

Test player with test stream: <http://bcove.me/3pnyw9yh>

Adding a stream URL to Brightcove: <http://support.brightcove.com/en/docs/creating-videos-remote-assets-using-media-module>

Sony is on the list to be added to the new Live App beta, which makes setting up Live streaming events much easier - I can lobby the Product Manager to add Sony soon.
